**Please find below and/or attached an Office communication concerning this application or proceeding.**

The time period for reply, if any, is set in the attached communication.

Art Unit: 1651

### **ATTACHMENT TO ADVISORY ACTION**

The response filed June 10, 2008, has been received. The text of those sections of Title 35, U.S. Code, not included in this action can be found in a prior office action.

The amendment filed June 10, 2008, has not been entered since the new language in the proposed amendment would require a new search since the claims previously did not require the administration of RGTA 1112 or RGTA 1113 specifically. Furthermore, the proposed amendment raises a new issue under §112, second paragraph, since the recitation "RGTA 1112 (CM<sub>2</sub>DPhS<sub>2</sub>) and RGTA 1113 (CM<sub>3</sub>DTyrS<sub>2</sub>)" does not clearly define polymers. Therefore, denial of entry of the proposed amendment is proper at this after-final stage of prosecution.

Applicant's arguments assume entry of the non-entered amendment. Therefore, the claims remain rejected for the reasons of record.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to SUSAN E. FERNANDEZ whose telephone number is (571)272-3444. The examiner can normally be reached on Mon-Fri 8:30 am - 5:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mike Wityshyn can be reached on (571) 272-0926. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
